

What's Up Phlock?

The Arizona Parrot Head Club Newsletter

Hello Phlock!

Q2 2020

We continue on in these strangest of times. I hope you and yours are, and will stay, safe and well.

Even though we weren't physically together, I'm proud to say we came together when we collectively donated \$5,075 for **St Mary's Food Bank**. It's gratifying to know we continue to do our good deeds. News tidbit for you - several other Parrot Head Clubs raised funds for their local food banks, too. Great minds!

Our Prez: Kathy Pfister!!!

We're following the same process for our **Weather Relief Drive to help Human Services Campus** and their partners to provide water for the Valley's homeless. See my weekly emails for details.

You are reading my weekly emails, aren't you?

It was sad to cancel Parrot Grande; but, it was the right decision. You can still help our charity, **Disabled American Veterans**, by buying raffle tickets. We'll be drawing the winner(s) during the Virtual Parrot Grande performance on August 29. See my weekly emails for details.

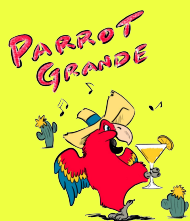

You are reading my weekly emails, aren't you?

The AZPHC Board of Directors continues to meet monthly via Zoom. All Board meetings are open to club members so if you want to join one, let me know and I'll give you a log in to the next meeting.

Fingers crossed that we'll be able to safely congregate again soon. In the meantime, add stay sane in my wishes for you. Or, as sane as Parrot Heads can be. ;)

Kathy

2020 Weather Relief Drive

We had such fantastic results with our St Mary's Food Bank passive donation efforts that we're taking on another cause - donating cases of water for those affected by homelessness here in Arizona.

With our triple-digit heat not looking like it's going away anytime soon, you know how critical water is to everyone during the summer.

Human Services Campus (HSC) has partnered with St Joseph the Worker, St Vincent DePaul, Central Arizona Shelter Services (CASS), the Homeless ID Project, A New Leaf, Brighter Way, Elaine Health Navigation and Transportation for the Homeless and the Arizona Department of Economic Security to collect cases of bottled water to launch a Weather Relief Drive in the Phoenix area. You can donate at <https://donorbox.org/hsc>. Choose Thirst Aid for "What are you donating to?". Email Janet (rocketj@cox.net) with your donation amount so she can tally the club total for reporting purposes--no one else sees the individual numbers as this isn't a competition.

Bonus is that HSC is a 501(c)3 so your donation is tax deductible. Any donation, regardless of size, will help those in need!

Upcoming Events (subject to change or cancellation):

- Aug 22 BOD Meeting Zoom 3PM
- Aug 22 Dive-In Movie -6PM - Bauman Party Palace
- Aug 29 Parrot Grande Virtual Performance
- Sep 11 Mark Mulligan & Rudy B. House Concert, Bauman Party Palace
- Sep 12 Erica Sunshine Lee House Concert – Scott and Tracy's House
- Nov 7 Ronald McDonald House Dinner -Roanoke Location - Time TBD

Check the weekly newsletter for updates!!!

What's your Favorite Buffett Tune???

Chad L:

From the lone member of the club from Cincinnati... it goes with no surprise... **"Fins"**... "She came down from Cincinnati..."

Kenny B:

My favorite Buffett song(s) is **"Far side of the world"** and **"We are the People our parents warned us about"**!

Goat:

"Desdemona is Building a Rocket Ship" because it's a good song!

Denise K: Larry's first concert with the Puget Sound Parrot Heads!!!

Rico A:

"Margaritaville" hands down!!! this song started the Parrothead Craze!!!

Queen:

"Lovely Cruise" ...all in all yes life has been/is a Lovely Cruise!

Mette R:

"A Pirate looks at Forty"! My favorite line is "just a few friends" as that is what I've been lucky enough to find throughout my life... me and my college roomie/BFF!

The Arizona Parrot Head Club Newsletter-Q2 2020

Janet S: "Captain and the King"

My Grandfather and Father were both sailors in the Navy in WW1 and WW2, but I like the song mostly because of the connection he has with his grandfather. I remember hearing this song when it first came out and connected with the it then.

"Cheeseburger in Paradise"

When my twin sister, her friend Debbie and I started going to Jimmy's concerts together we would always setup the EZup and decorate. The first time we went, Sister had a collapsible BBQ grill that would fit 4 burgers and she made sure to have all the fixings along with beers and Margaritas as she always said, "It's Jimmy you have to have Cheeseburgers". We met so many nice people and had so much fun. Sister has passed and I miss her immensely but every time I hear "C In P" I think of her and the great times we had burning burgers and meeting a great group of people.

Karen L:

"Breathe In, Breathe Out, Move On"

Kathy P:

"Pascagoula Run" People may think I'm attracted to this song because of the section "Bring that young man over here...". My nickname of Mrs. Robinson was well deserved. However, why I truly love the song is that it's about leaving your sheltered life and going on an adventure. Young or old, it's never too late to do that!

Phred:

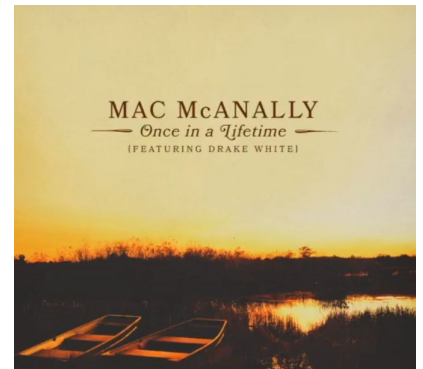

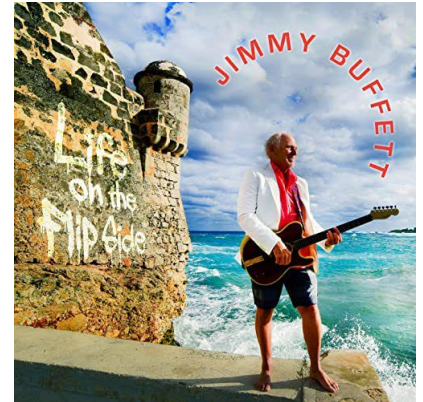

"A Pirate Looks at Forty"
cause I'm a pirate, arghhh!!!

New Music????

These crazy times have given talented musicians and songwriters lot of free time to produce new music (and even some socially-distanced music videos!!!).

We know Jimmy's new album, "**Life on the Flipside**", was recently released and Mac McAnally just dropped his new album, "**Once in a Lifetime**", just last week!!!

Check them out when you get a chance and also drop in on some of your favorite trop rockers, who also have been pretty busy with Facebook shows, etc.

Did you catch Jimmy on the Tonight Show??? If not, check out the link from Margaritaville:
