Q3 2020

Hello Phlock!

Greetings from my kitchen counter/my current office/my cats' napping spot. I'll be here all week, as the joke goes...

I'll also be here all year as it's work from home until at least January. Grateful to be able to do so.

Our Prez: Kathy Pfister!!!

Kudos to Karen and Adam Lyons and the Parrot Grande team for bringing us a really fun **Virtual Parrot Grande!** We had viewers from all over the country and raised a good chunk of change for Disabled American Veterans.

Some of us have been carefully partaking of our usual activities with a couple of house concerts and backyard fun in our rear view mirror. Zooming is great but seeing those faces in person is priceless.

Happy to announce that we're set for our annual **Holiday Party on December 5th**. For those who

have been to the Bauman Party Palace, you'll know that there's plenty of space for physical distancing. We can cheers each other from six feet away with distance to spare!

More details coming as we get closer to the date but the fun is scheduled to start at 6 PM.

Also coming up is an honest to goodness **Phlocking**. We're planning on gathering on the patio at Ajo Al's (5101 N 16th St, Phoenix) at **noon on November 14th**. Some of us may be a little sweaty after doing the virtual **Walk To End Alzheimer's** but I guess the bonus of physical distancing is that you won't be close enough to smell us. They're giving us Happy Hour prices. Thanks to all who have donated to and promoted our Alzheimer's Team. We're edging into the top 20 of all Parrot Head Club teams!!! It's great company to be in.

Here's hoping we all continue to be safe, healthy and sane!

Kathy

Q3 Phun cont...

Dive-in Movie Night...by Queen

We were a small but fun group! Since it was so small we let everyone vote on our movie choices. It ended up being a John Belushi night. First up was Animal House; such a great classic! After that was the Blue Brothers.

Normally we watch a movie in the pool and then we play a second movie as people mingle. This year we all took a break and then hopped back in the pool for the second Movie.

Our Chicago transplant Parrot Heads were the first too leave; not sure if they haven't adjusted to the time change yet?! LOL
We had plenty of hand gel and all food items were wrapped up separately – keeping everyone safe.
It was really good to see people who we haven't seen in a while.
Looking forward to next year!

Upcoming Events (subject to change or cancellation):

- Nov. 14 Virtual Alzheimer's walk followed by Happy Hour at Ajo Al's
- Dec. 5 Holiday Party - Bauman Party Palace

Q3 Phun cont... Phred Update...by Queen

Well like everyone else, I haven't traveled much this year. However the Queen decided to book two trips in two weeks! Hey I just go with the flow.

First up was a 9 day trip to Ohio; we covered Ohio top to bottom. We started at Lake Erie, stopped in Lima and went on to Cincinnati and crossed the border to Kentucky for a little fun.

We were back 3 days and headed to San Diego for the San Diego Parrot Head Club Anniversary Party. It was a bit different this year but we still had a good time.

We took a pontoon boat out one afternoon – that was fun!

If any of you start traveling again and want a great traveling companion; please reserve me through the Queen at baumanpartypalace@yahoo.com

Updates from Margaritaville.com...

Sadly, it's looking like the **Slack Tide Tour 2020** is moving to 2021...here are the Florida tours dates that have been rescheduled to their new date if you have been so lucky (or now, not so much) to have a ticket:

Amalie Arena – Tampa, FL – December 4, 2021
VyStar Veterans Memorial Arena – Jacksonville, FL – December 7, 2021
Amway Center – Orlando, FL – December 11, 2021

Lot's of new phun places opening in 2021...get out of your Covid phunk and start planning your 2021 vacay!

Closer to home, there's a new Margaritaville on the horizon in San Diego: Located in the heart of the Gaslamp Quarter, just blocks from Petco Park and the San Diego Convention Center, the hotel will feature 235 guest rooms as well as signature Margaritaville food and beverage concepts. Travelers can immerse themselves in the excitement of the city while staying in a truly urban oasis of laidback luxury.

For other resorts, check out <https://www.margaritavilleresorts.com/> who currently offer 23 resorts in 20 cities in 6 countries...the options are endless...

There's a new Compass resort on the Anna Marie Sound in Florida, so many resorts in Florida and along the gulf coast and even a place to camp!

ENJOY your trip planning!!!

An “Acquisition” Story ...Kathy Pfister

Many years ago, a large contingent of Arizona Parrot Head Club members went on a cruise out of Orlando. Of course, we had to have dinner at the Orlando Margaritaville. As the evening went on and the Coronas flowed, items started disappearing from the table. A plate here, a platter there. Drinking glasses. Even a brand new sleeve of coasters.

Being the rule follower that I am, I not only didn't take anything but grew more and more appalled at the brazen thievery. I don't know if they just didn't care or if they thought they were doing a great job of hiding it, but subtle they were not.

As we were getting ready to leave, the waiter came over to me and said "This is for you" and handed me an Orlando Margaritaville shot glass. I like to believe it was a reward for my respect for others property.

Apparently, I was rather smug about it all (which doesn't sound like me) to the point where my trip roommate stole the shot glass from me. I don't remember when she finally confessed and I got it back but I do indeed still have it.

And, I'm still smug about my karmic reward.

Thank you to Kathy for our first of hopefully many “acquisition” stories...

Please put on your “drinking caps” to help recall your best story for the next newsletter!!!
